**Subject:** Notice of Resignation from City Council

Dear Allan & Kimberly:

Please accept this email as my official notice of resignation from the Costa Mesa City Council effective December 31, 2010.

---

I have appreciated the opportunity to serve my Costa Mesa community during this last 12 years. I look forward to serving Newport Beach and Costa Mesa as a school board member, and building a better partnership with the School District and City during the next few years.

Thank you both for your service, insights, and willingness to listen over the years through contentious times.

The year 2011 brings many changes and challenges for us all. I look forward to the new year with lots of new beginnings.

Respectfully submitted,  
Katrina Foley  
Costa Mesa City Council Member 2004-2010
